

## Great Steps Orthotic & Prosthetic Solutions 10th Anniversary Celebration a Success!

Great Steps Orthotic & Prosthetic Solutions in Sartell, MN recently celebrated their 10th Anniversary by inviting the community to join them in watching retired Sergeant First Class and double amputee, Dana Bowman sky dive and parachute to Great Steps O&P Solutions' facility grounds. Dana proceeded to give an inspirational speech about how he lost his legs while colliding in the air with his Golden Knights Parachuting teammate, how it took the life of his teammate as well as his amazing recovery story and how he was able to re-enlist into the Army only 9-months after the accident occurred.

Dana's motto is, "It's not the disability...it's the ability" and he lives by this motto as he has done thousands of skydiving demonstrations and has motivated thousands of students and adults throughout the world. "What Dana has been able to accomplish since losing his legs is a testament to the combined power of modern technology and the human spirit," states John Held, CO & President of Great Steps O&P Solutions. "Even with disabilities, people still can get back to a normal lifestyle -- or may in Dana's case, not-so-normal lifestyle -- and really do outstanding things."
